Subject: Invitation to participate in a 3 months long Training Workshop to develop smart, confident and career oriented nature among the students

Dear Sir,

You will be glad to know that the central organization for debate movement in our country, National Debate Federation of Bangladesh (NDF BD), is going to organize an exceptional training workshop bearing the slogan “Expression is Talent (প্রকাশই প্রতিভা)” for the first time in Bangladesh. We strongly believe, this training workshop which is going to begin from 28 August of 2015, would help students to build up skills to raise their voice confidently for expressing their own thoughts and beliefs to the world in a smart way by enduring the challenges of time with proper exert of intelligence and courage. We also believe that NDF BD could motivate students to think logically and feasibly along with enhancing their creativity, dynamism and enthusiasm through career and debate schooling by creating a learner centered environment and sharing life-oriented knowledge.

Therefore, we hope you would like to ensure the participation of the students of your well reputed institution in this training workshop and contribute in building a brilliant and befitting young generation.

Sincerely,

A K M Shoaib,
Rector, Career and Debate Schooling Program,
Chairman, National Debate Federation Bangladesh (NDF BD),
Ex-President, Dhaka University Debating Society (DU DS),
Champion, National Television Debate Competition
