With the grand participation of about 2000 debaters from different schools, colleges, medical colleges, madrasas & universities all over the country, this festival is going to be the most colorful event of debate throughout the country.

It will be a great opportunity for the young people to share their opinion and learning experience in this two days long festival composed with different events, such as **Show Debates of various formats, Debate and Career workshop, Public speaking competition (both English & Bengali), Quiz competition, Meet the celebrities, Rally, Certificate distribution, Prize giving, Campfire, Multimedia presentation and Cultural program** performed by debaters from different institutions.

We believe this event will be a milestone in the debating arena of the country where debaters from all over the country will get together. We would really appreciate if you could kindly send participants from your institution. Your spontaneous presence will highly encourage us.
